RELEASE NOTES

[LEARNING-RESEARCH.CENTER/DATABASE](http://LEARNING-RESEARCH.CENTER/DATABASE)

STEFAN VOLKMANN

7.2.2015

# Current State

- **1700 bibliographic entries since 2013**
- Publication Types
- Languages
- Represented Regions
- Institution Types

- 1700 bibliographic entries since 2013
  - 75 new per month
- **zotero** - group online since July 2013
- Germany, USA, UK, Denmark covered extensively, Scandinavia, Australia, New Zealand covered broadly.
  - Anglo-American spaces leading!
    - Current trends: technology integration, campus cooperation, learner centered (Curriculum-) design and evaluation methods
  - Germany falls behind
    - Only the ‚spacial integration‘ (‚räumliche Integration‘) of various institution types remains mostly a German phenomenon
- Many countries underrepresented, as only few of them are addressed in English publications.
